

Squannacook River Rail Trail Funding Exploration Committee

Minutes of Public Meeting of April 7, 2009 (Approved at May 7, 2009 meeting)

Location: Kimball House, Highland Street, Townsend

Time: 7 pm

Members Present: Bill Martin, Hirk Fortin, Bill Rideout (Secretary), Ken Gerken

Members Absent: Steve Meehan (Chairman),

Attendees: Mark Cram, Al Futterman (NRWA)

The meeting was brought to order at 7:10 pm. Since our chairman Steve Meehan was unable to attend the meeting, we decided to wait until the next meeting to discuss the upcoming meeting with the Townsend Board of Selectmen scheduled for May 12th. Al Futterman discussed the status of the federal earmark, and said that he still needed to follow up with Kristen Wood and Brad Harris on the topic.

The meeting minutes for Mar 10, 2009 were unanimously approved.

Since no Groton members were present, we decided to send out a follow-up email to try to determine the best date for the next meeting.

The meeting was adjourned at 7:26 pm.

Respectfully submitted,

Bill Rideout

Secretary, Squannacook River Rail Trail Funding Exploration Committee
