

Squannacook River Rail Trail Buy A Brick Campaign - pay by check form

Print this page and then fill in the form below to order your brick, and then mail it and your check for \$150 to the address at the bottom of the page.

With our 2018-2019 brick fundraiser, you can help complete the Squannacook River Rail Trail's capital campaign before construction begins on Nov. 7, 2019. Our total construction budget of \$150,000 includes no town or state money - grants and fundraising alone are being used to build this trail. Thanks to our previous 2016 brick sale, grants, and other generous donations, we have raised over \$130,000, and so our final goal is less than \$20,000 away. You can help us cross that finish line! For each brick you purchase at \$150, the profit to Squannacook Greenways of \$132 will pay for 17 feet of rail trail construction. These bricks will be placed at the base of the informational kiosks to be placed in the parking areas in Groton and Townsend, similar to the artist's conception picture above. In addition, for your donation, you will receive a one year membership in Squannacook Greenways, starting on the day the trail opens. The total cost of the brick is tax-deductible, since Squannacook Greenways is a 501c3.

Please mail by March 31, 2019
