

Buy-a-brick fundraiser reopens until March 2019

## Buy a brick sale reopened until March 2019

Because of permitting delays, the construction of the Squannacook River Rail Trail will now take place during the four month window beginning in Nov 2019. But the good news is that this allows us to re-open our buy-a-brick fundraiser. Over 170 supporters have already purchased a brick to support construction of this stone-dust rail trail in Townsend and Groton, helping us raise over \$130,000 of the \$150,000 we need. To join them, just go to [sqgw.org](http://sqgw.org).
