Peter,

I reviewed the attached documents concerning the rail trail in Townsend/Groton and did not find anything objectionable. It is a very thorough specification, with orders of condition from DEP.

Subject: Construction plans for Squannacook River Rail Trail

Hi all,

I'm reaching out to ask if Capital Delivery has reviewed and approved the construction design plans of the Squannacook River Rail Trail, which they plan to start in November, 2019. The Squannacook Greenways organization has submitted their construction plans along with the Order of Conditions for Townsend and Groton.

Thanks.
